

Commerce

To gain the Commerce badge you must complete one task from each of A, B and C.
Show you have an interest in, have learnt about and have an improved proficiency in some form of commerce.

A. INVESTIGATE

1. Choose a type of commercial product such as food, fashion, cars, electronics, etc.
2. Find out how these have changed over time and the various trends. Include photos, drawings, etc.

B. SKILL

1. Design a product of your chosen type of commerce. Include drawings and detailed explanations as to why your product has the things it has.
2. Draw up a timeline of the changes which have occurred to your chosen type of commerce. Include pictures and drawings.

C. ACTIVITY

1. Draw up a Patrol budget for a weekend activity to include food, transport, activities, etc.
- OR
2. Design a product and make a video/computer-generated ad to sell your product. Write a script and organize props etc.
- OR
3. Research and organize a stock market game in which your friends buy and sell false shares in a false market with real companies. Watch the news for the shares rise and fall each week.
